Birmingham Audubon Society

is now Alabama Audubon

The Birmingham Audubon Society members recently voted to change the organization's name to Alabama Audubon.

"Audubon has really had a statewide reach for a long time," said Lori Oswald, Board President. "As Alabama Audubon, we'll be even better positioned to help conserve birds and educate bird lovers throughout the state."

The next Alabama Audubon Coastal Bird Banding event at Fort Morgan will be April 14-18, 2020. Details are available at alaudubon.org/birdbanding.

"It's an exciting time for our organization, and we're trying to spread the word so all Alabamians know that they can get involved with birding and conservation, regardless of where they live in the state," said Sarah Randolph, Outreach & Communications Director at Alabama Audubon.

"The new name is a more accurate reflection of who we've become," added Alabama Audubon Executive Director Ansel Payne. "We've done a lot of conservation work on the Gulf Coast. We've spearheaded bird-based economic development in the Black Belt. And we've hosted field trips to just about every ecoregion and habitat in the state."

GULF SHORES CITY COUNCIL

City takes steps to shape future of beach district

Landscaping, travel lanes, enhanced street parking, sidewalks planned

By John Mullen

During a city council meeting on Oct. 28, Gulf Shores officials gave details of how the \$424,000 they will pay Volkert will help shape the beach district for years to come.

“We need to start thinking about how we can begin turning streets back into places—into destinations for culture, creativity and community.”

“We need to start thinking about how we can begin turning streets back into places—into destinations for culture, creativity and community,” the report said. “(The goal is to create a sense of place and maximize the right-of-way for the greatest public benefit.

Among the upgrades would be improvement to stormwater management in the district, better-defined travel lanes, in-

creased and enhanced on-street parking, improving landscaping and make sidewalks throughout the area wider.

“It is not sufficient to design and build streets that are merely functional and safe for automobiles,” the report states. “We should align our greatest public asset with our economic goals because they are bound together. In an age when people are more mobile than ever, and cities and businesses compete to attract talent, residents, and tourists, great streets are essential to boosting economic development and tourism.”

Gulf Shores is taking advantage of two grants and some cash from the Embassy Suites hotel partnership to pay for about \$2 million of the total project, Public Works Director Mark Acreman said.

“We’ve been awarded an \$800,000 TAP grant for the sidewalk components,” Acreman said. “We received a \$60,000 ACAMP grant for the master planning for the stormwater system. Then there is the \$1.2 million payment for parking improvements that will be provided through the Embassy Suites development agreement.”

The district (pictured) stretches from East Second Street to West Second Street and from the beach to East Second Avenue

and West Second Avenue.

Also during the meeting the council:

- Selected Skipper Consulting and authorizing the mayor to sign their proposal to perform a Traffic Circulation Study for the proposed realignment of Canal Road (State Route 180) in an amount not to exceed \$31,800. This includes the area along State Route 180 from about East 16th Avenue west to the Regency Road intersection.

- Retired an old firetruck and donating it to the cancer charity group Guardians of the Ribbon Lower Alabama Chapter. The group is dedicated to spreading the “Cares Enough to Wear Pink” Campaign, and they help raise awareness for all women and their families in their fight against cancer of any kind. Money raised is kept local to help our families as they fight disease.

- Authorized staff to pursue the Rebuild Alabama 2020 Grant to secure up to \$250,000 in grant monies to fund the construction of a new mast arm signal at East Second Street and State Route 182.

- Approved a change order in a contract with Bagby & Russell Electric for \$41,000 to include some additional work to the \$1.5 million original contract signed in 2017 for signal work on State Route 182 from East Fourth Street to West Sixth Street. The new work included adjusting signals at East First Street to improve the alignment of the bike lanes, installing aluminum bases for controller cabinets, performing directional bores and installing conduit to all of the median islands for irrigation and palm tree up lighting and signal upgrades at State Route 135 to accommodate the Gulf State Park Lodge traffic.

- Issued assembly permits for Gulf Shores United Methodist Church for an annual family event at Meyer Park on Nov. 11 and for the Bama Beach Pickleball Club’s tournament Nov. 15-17 at the tennis center.

Public input opportunity for Canal Rd. corridor study

Informational meeting scheduled Nov. 7 at Adult Activity Center

The City of Gulf Shores will host a Public Involvement Meeting for the Canal Road Corridor Study on Thursday, November 7, from 5:30 to 7:00 p.m. at the Adult Activity Center, located at 260 Clubhouse Drive. The purpose of the meeting is to provide the public an opportunity to participate in the development of the proposed project.

The previously shown roadway build alignments have been revised/modified as more engineering information has become available and in response to comments received from stakeholders and the public during the public involvement meeting held for the project in May.

A brief presentation will be given at 6 p.m. After the presentation, representatives from the City of Gulf Shores will be available at displays to discuss the proposed project and answer any questions.

The purpose of the proposed project is to improve connectivity and provide a transportation corridor that will better accommodate the existing and projected east-west traffic volumes through the study area. The need for the project is derived from the increased traffic congestion along SR 180 (Canal Road) and along the existing neighborhood streets.

Comment sheets will also be made available for those who would like to submit written statements. Written statements may be mailed or e-mailed within 21 days after the meeting date to Volkert, Inc.; 1110 Montlimar Drive; Mobile, Alabama 36609. For more info is also available by calling 251-342-1070 or emailing Jason.goffinet@volkert.com.

Canal Rd. widening project should be complete by Dec. of 2020

The widening of Canal Rd. in Orange Beach between Foley Beach Express and Orange Beach Blvd. (HW. 161) in Orange Beach began in September and the anticipated completion date is December 2020.

When complete, this portion of roadway, which carried an annual average of over 18,000 vehicles daily in 2018, will be a five-lane highway including a designated two-way turn lane. While there will be periods of lane closures and congestion in the work zone, when completed, the much needed project will better accommodate the volume of traffic this roadway carries during the spring break and summer tourism seasons. Utility, drainage, and construction work is being performed simultaneously along the route. The final wearing surface and permanent stripe and markings are added upon completion of project.

AROUND TOWN

O.B. forms complete count committee ahead of 2020 Census

Orange Beach, like many municipalities in Alabama, has a Complete Count Committee in place to help the statewide effort to educate the public in Alabama about the importance of being counted in the upcoming 2020 Census.

Alabama Counts is a program emphasizing the need to ensure Alabama's population is accurately and fully counted. The state is at risk of losing federal funding, a congressional seat, and an Electoral College vote. These outcomes are based on projected results of the 2020 Census. The 22nd decennial census, mandated by the U.S. Constitution, begins on April 1, 2020. The census counts every person living in the United States. Business, industry, nonprofits, researchers, and governments use this information to understand and serve the public.

Alabama Counts program. Jean Hogue, Partnership Specialist with the U.S. Census Bureau, has been assisting the committee. Committee members will be at city events leading up to the official start of the Census count in the spring. Orange Beach Counts Census 2020 booths have already been displayed at the Orange Beach Town Hall on Oct. 1, the Orange Beach Middle School football game against Gulf Shores Middle on Oct. 24 and other city functions.

Starting in mid-March 2020, Alabama households will receive a letter from the U.S. Census Bureau with instructions on completing 2020 census forms. The Census Bureau is encouraging an online response but will have a toll-free number for households to complete their information over the phone or request a traditional paper form. Additionally, Census takers will be hired to work in their communities and go door to door to help collect responses. The information collected during the census is confidential and cannot be used against a person by any group or agency.

Nov. 14-17 Fairhope Film Fest

spreads to 7 downtown venues

Organizers promise four days of brilliant, entertaining and award-winning films screened throughout the city during the 7th Annual Fairhope Film Festival, scheduled Nov. 14-17. The seven festival venues are all located within walking distance of each other in the famous, flower-filled downtown area.

The venues include The Book Cellar; 32 S Section St.; Coastal Alabama Community College Centennial Hall, 450 Fairhope Ave.; Fairhope

Film Festival Office, 122 Fairhope Ave.; Coastal Amphitheater at Coastal Alabama Community College, School Street near corner of Morphy Ave.; Fairhope Public Library Giddens Center, 501 Fairhope Ave.; Fairhope United Methodist Church Christian Life Center, 452 Morphy Ave.; and the USA Baldwin County Performance Center, 111 St. James Ave.

The fest focus is on national and international film festival competition finalists of the past year: the "best of the best" in cinema arts. Notable foreign and feature films, documentaries and shorts - many that never made it to the big box theaters or were only there briefly - have been selected for appreciative audiences.

Although the festival will pull out all the stops, Southern-style, to host opening and closing events and parties, the emphasis will be on the art of filmmaking and the experience of seeing exceptional films. Directors, actors and screenwriters will participate in the screenings both in person and via live electronic transmission.

Several ticket options are available. The Fest box office is located at 20 N. Section St. For more information visit fairhopefilmfestival.org or call 251-990-7957.

SCHEDULE AT FRANKBROWNSONGWRITERS.COM • FBISF SONGWRITERS FEST: NOV. 7-17 • SCHEDULE AT FRANKBROWNSONGWRITERS.COM

The 35th annual Frank Brown International Songwriters' Fest spreads 200 songwriters in venues along the Florida / Alabama Gulf Coast for 11 days of listening pleasure beginning Nov. 7.

"One thing wondering troubadours need is a place to play."

"Most of the time you don't know the person you are going to see. But you know their no. 1 hit," said fest director Andy Haynes. "Even more fun is when you hear a song that is a no. 1 six months later. It's a unique experience rather than a run of the mill concert."

Haynes, a fest volunteer for 16 years before taking the director's job in 2016, tips his hat to the founder, Joe Gilchrist. "We

are sure lucky having Joe in our community doing what he does," he said.

"We hope to simply showcase the people that create the music and the magic," Gilchrist said. We are respectful. We're glad to provide a listening environment where they can play, and it's not background music. It's living music that professes emotions and feelings that all of us have, but very few of us know how to

express."

The festival is named after the late Frank Brown, night watchman at the 'Bama for 28 years. Mr. Frank retired at 91.

"This is what Nashville should be. Music for music's sake, and it just thrives."

"MUSIC HAPPENS AT A PARTICULAR MOMENT IN TIME AND IT CHANGES EVERYTHING GOING FORWARD." - JACKSON BROWNE

"Stories In Rhyme" hits its mark

By Fran Thompson

Lynn Rabren and I both moved here in 1990. He was building boats. I was doing this. We met right away. Lynn didn't necessarily strike me as the kind of guy who was quick with a cry. But I did notice his lack of cynicism. And that was cool.

He mentioned that I would have to be heartless, a zombie even, if I did not cry at the preview screening of his most recent documentary at Gulf State Park's spectacular new campus.

Lynn utilizes footage he shot in 1992 as well as interviews he conducted last year for his new documentary: "Stories in Rhyme: The Songwriters of the Flora-Bama Lounge." He told me he got all verklempt just listening to the playbacks of songs he featured in

his film. I did not get dewey. But I did get nostalgic.

The film ends with beautiful songs written and performed by Ken Lambert, the 'Bama's first entertainer, and Larry T. Wilson.

Kenny sings with only Joe Gilchrist, Connie Blum and the camera as audience. It was filmed in 2018 in the Flora-Bama main room that John McInnis so painstakingly brought back to life.

Larry T.'s footage was from back 1992 in the same room. Singing through a Prince Valiant haircut, he nailed "No More Chasing Rainbows." Chris Penise and John Joiner were on the same stage and, as always, they were in peak form. Other footage in the movie showed Lou Wamble playing with Mickey Newbury. There is also a great old shot of J Hawkins on the main room stage kissing Jim Hutcherson during "Pucker Up Dixie." Most folks forget that Hutch co-wrote that with Rusty McHugh.

Some were just cameos. Others were featured prominently. But in the film, I saw Vic Saul, Leanne Creswell, Donna Slater, Gove Scrivenor, Chris Newbury, Larry Butler, Peggy Butler, Brittney Grimes, Alan Rhody, Beverly Jo Scott and Bo Roberts, Darrell Roberts. And those are just a few who know what it's like to be in that main room at the right time. Listed as the documentary's executive producer, Joe Gilchrist is portrayed as a man who has remained - for the 40 plus years supporting the craft - convinced that music makes the world a better place. Joe has never wavered. And this film captures that.

Screenings

Screenings are scheduled in the Flora-Bama Main Room at 1 p.m. on Nov. 8 and Nov. 15. Jeff Etheridge edited the film.

Butterfly walks thru Nov. 16 at Bon Secour Refuge

Guided monarch butterfly walks continue at Bon Secour National Wildlife Refuge on Wednesdays and Saturdays through November 16. Walks begin at 10 a.m. at the Gator Lake Trailhead located off of Mobile St.

The butterfly tours are free and reservations are required. Tours are limited to 12 people and each tour will consist of a two hour round trip walk down one of the refuge trails. Binoculars are helpful but not required to enjoy the tours. Restroom facilities are available at the refuge office and Pine Beach Trail.

Join refuge volunteer, Homer Singleton, as he leads participants along the Gator Lake Trail searching for this beautiful butterfly.

During the walk Homer will introduce you to the butterflies which pass through this area, their habitats and their life cycles. Participants will also be asked to help catch monarch butterflies so that they can receive tags that will allow scientists to track their migration. Participants should come prepared to walk over two miles in soft sand with minimal shade. Water and bug spray are highly suggested.

For more info about any of the events, contact the Refuge Office, Monday – Friday, 9: a.m. – 2 p.m. at (251) 540-7720. The refuge is located at 12295 State Highway 180 in Gulf Shores.

Free memory testing Nov. 20 at G.S. Cultural Center

Free memory screenings and balance testing is being offered on Nov 20 at the Gulf Shores Cultural Center (19470 Oak Rd.) from noon 'til 3 p.m.

The free program, with the help and guidance of the Alzheimer's Foundation of America, was started locally in 2015 when 60 volunteers based at GlenLakes Golf Club, organized and began offering TESTING 1, 2, 3 services to anyone who wishes to be tested. For more information, contact Sam Strite, 251-965-5122 or samcstrite@gmail.com.

Over 93 percent of those tested have never had a memory test. When the vast majority finds out their memory loss is normal age related memory loss, they are relieved. During balance testing, seniors are shown simple exercises they can do at home to improve their balance. Volunteers are all are trained for and experienced in running vents. A Steering Committee oversees every event.

In addition to holding major events in the Fall (primarily for locals) and in February (primarily for Snowbirds), TESTING 1, 2, 3 will come to any organization which works with seniors and offer its services. There is never a cost associated with these events and if an organization wants to hold a private event, volunteers will be glad to work with them.

Caribe Resort collecting shoes for Soles4Souls charity

Caribe Resort is hosting its annual donation drive for Soles4Souls from November 1 to December 1. New or gently worn pairs of shoes can be dropped off at 28103 Perdido Beach Blvd. in Orange Beach.

"This humanitarian organization provides shoes to people who need them the most, and you can help," said Daniel Honsvick, of Caribe Resort, which collected over 100 pairs of shoes for during its previous drive. "A new pair of shoes can have a big impact on the life of a person in need."

Soles4Souls is a nonprofit global social enterprise committed to fighting poverty through the collection and distribution of shoes and clothing. Children every day are prevented from attending school and adults are unable to work as walking becomes unbearable, which perpetuates the cycle of poverty. To date, Soles4Souls has collected and distributed more than 30 million pairs of shoes to those in need in 127 countries around the world and all 50 states in the U.S.

"Businesses and individuals that host donation drives for Soles4Souls help us fulfill our mission by providing short-term relief and long-term solutions to global poverty," said Buddy Teaster, Soles4Souls CEO. "Every single one of those pairs of shoes collected by our partners makes a difference in someone's life."

For more information about getting involved with Soles4Souls or to become an official drop-off location, visit soles4souls.org.

In addition to Soles4Souls, Caribe Resort is a proud supporter of the American Red Cross and Feeding America. Last year, they hosted a blood drive for the American Red Cross and a food drive for Feeding America.

Karl Denson's Tiny Universe live at The Hangout Nov. 10

Karl Denson's Tiny Universe will play at The Hangout, with Dew Pendleton opening, on Sunday, Nov. 10. Doors open at 5 p.m. and tickets are \$20. The Hangout (101 E. Beach Blvd.) is located at Gulf Shores Public Beach.

Denson is considered one of the best live acts on the planet, masterfully incorporating elements of vintage rock, old school soul and classic funk.

The inimitable saxophonist/flutist/vocalist's long-standing six-piece unit includes guitarist DJ Williams, drummer Zak Najor, bassist Chris Stillwell, keyboardist David Veith, trumpeter Chris Littlefield and slide/lap steel guitarist Seth Freeman.

His energy and spirit are contagious while his songwriting serves a larger message of fellowship—across generations, genders, religions, and cultures. His new album, *Gnomes & Badgers*, is Denson's hard-grooving answer to these tragically divisive times.

Denson serves as the touring saxophonist with The Rolling Stones, while continuing to hold down his role as a founding member of the seminal funk band, The Greyboy Allstars.

Disco Fever is theme for Newcomers Club's Jan. 23 Toast To Coast

By Karen Brumelow

South Baldwin Newcomers Club is hosting our annual Toast to the Coast event, Toast to Coast Disco Fever 2020, on Thursday, January 23 from 6-10 p.m. at Orange Beach Event Center at The Wharf. Music will be provided by DJ Jeremy Perkins.

Tickets are \$55 per person or \$500 for a table of ten, and include dinner from numerous local restaurants, dessert bar, wine, beer and soft drinks. Tickets can be purchased by contacting Susan West, at 205-222-0143 or susanawest@gmail.com. Tickets can also be purchased at McClure's NY Bagel and Sandwich Shop located at 4575 Orange Beach Blvd.

This is a major fundraiser for us and allows us the opportunity to help out local charities and provide scholarships to high school seniors. Last year we were able to contribute to 16 charities and award six scholarships to students from Gulf Shores, Foley, Elberta, and Coastal Alabama Community College. Orange Beach High School will be added to this year's list.

Supporters can help by reaching out to neighbors to join the club in this fun filled night of music, dancing and great food. We will have a silent auction with exciting items from local and national companies as well and two raffles. All proceeds from the event go back to the South Baldwin community.

Dave Roeber to speak at The Island Church on Nov. 24

Voices of Mobile will be on Pleasure Isle for three Dec. 1 shows

The congregation at Christian Life the Island Church invites the entire Alabama Gulf Coast community to hear special guest Dave Roeber on Sunday, November 24 during all three of its Sunday services (8:15 a.m., 9:30 a.m. and 11 a.m.). The church is located at 25550 Canal Rd. in Orange Beach (251-967-4840) and there is no charge.

Dave is a hero of the faith, called to ministry as a teen, and a decorated Vietnam veteran of solid character. At the height of the Vietnam War, he joined the U. S. Navy and served as a river boat gunner in the elite Brown Water Black Beret — until tragedy occurred.

His survival and ensuing life with his faithful wife at his side are miraculous. A superb multi-generational speaker, Roeber travels the globe, sharing his gripping testimony with engaging humor, imparting hope in the face of seemingly insurmountable obstacles, and delivering the Word of God with convincing power. God uses Dave's ministry in churches, crusades, youth and men's conventions, and in the "marketplace" — in public schools, business conventions and with the U. S. military world-wide, including war zones such as Kosovo, Iraq, and Afghanistan.

Dave and team reach out to the people of Vietnam via multiple projects. Since 2007, at the organization's Eagles Summit Ranch facilities in Westcliffe, Colorado, and in Junction, Texas, and at other excellent facilities, Dave and his team help to restore hope, provide keys for success, and train today's wounded warriors to have meaningful futures or for Christian ministry, through Operation Warrior RECONNECT.

Dave and wife Brenda have a son and daughter and four grandchildren. He has won the Purple Heart & other service medals and was awarded the Outstanding Civilian Service Medal by the US Department of the Army in April of 2012 (More info: DaveRoeber.org).

In addition, the church will present the Voices of Mobile in concert at all three of its services on Sunday, Dec. 1. The highly versatile, auditioned vocal ensemble consisting of 18 students from The University of Mobile.

VOICES maintains a highly visible and consistent performing schedule in churches, schools, conferences, and civic events throughout the United States and abroad. They have performed at the Southern Baptist Convention Pastor's Conference, the White House, Carnegie Hall and the Notre Dame Cathedral in Paris.

A great emphasis is placed on a desire to honor the Lord in word and deed as stated in the mission statement of the group: "Honor Him with our Lives and Praise Him with our voices."

Both of these special services are open to the public and free of charge.

Dolphin Athletic Club Drawdown 2020 is Feb. 1 at Hangout

Food, fun, music, \$7,500 grand prize on tap at annual fundraiser

Food, fun, music and money are on tap at the Dolphin Athletic Club's \$7,500 grand prize drawdown on 2020 Drawdown on February 1 at the Hangout at Gulf Shores Public Beach. Tickets are already on sale at mygshsdac.com. The Velcro Pygmies will be the musical entertainment, and a silent auction will offer fabulous packages and deals from local vendors.

Tickets are \$100 for two people, and include a buffet-style dinner, cold beer, wine, and the Velcro Pygmies show. Each couple will have one entry for the drawdown and a chance to win the \$7,500 grand prize. A limited number of VIP table sponsorships are available.

DAC President Mike Carey said the club is hoping to sell 500 tickets to its 21st annual drawdown, the club's biggest fundraiser of the year. Donors can designate which sport their ticket purchase will benefit.

"Dolphin Nation is the DAC battle cry as we support young men and women competing in 26 teams at the high school and middle school levels," Carey said. "The club helps pay for sports equipment, uniforms, nutrition and other needs."

Founded in 1999, DAC also awards 1,000 scholarships to ten graduating seniors at Gulf Shores High School who have demonstrated excellence in athletics, leadership and community service.

The Dolphin Athletic Club (DAC) works in partnership with Gulf Shores City Schools to help fund athletic programs, and meet the needs of student-athletes.

"The Hangout has proudly supported the local schools in Gulf Shores and Orange Beach for over a decade, and we will continue to do so in the years to come," said Derek Rowan, marketing manager at the Hangout. Other sponsors include Southern Chevrolet and Culver's Restaurant.

City of Gulf Shores officially opens sensory garden

Beautification Board charter member Sanders honored at event

City of Gulf Shores officials took advantage of a perfect setting, if not perfect weather, to present Evelyn Sanders with plaques, gifts and accolades for her 34 years of volunteer service to the city's beautification board.

A charter member of that board, Sanders was honored during the city's recent ribbon cutting for its sensory garden. Located at the corner of West 2nd St. and West 19th Ave., the project will provide an opportunities for citizens of all ages to enjoy a garden intentionally designed to be experienced through each of the five senses.

A \$3,500 donation from the Gulf Shores Garden Club was the impetus for the project, which is designed for accessibility.

"The raised gardens allow people to drive or wheel up under them, and be able to reach them. The whole area is concrete so that its accessible to everybody. So far everyone's been very pleased with the results," said Gulf Shores Public Works Director Mark Acreman.

The Public Works Department worked in collaboration with the Gulf Shores Garden Club and beautification board on design and implementation. The garden includes plum, blueberry, kale, guava, cilantro, Mexican heather, rosemary and other fragrant flowers and plants.

A Gulf Shores resident since 1960 and always an enthusiastic volunteer, Sanders was instrumental in starting and growing the Shrimp Festival and Mardi Gras celebrations in her adopted city. She also organized the first homecoming parade at Gulf Shores High School and was one of the first to start what is now a thriving destination wedding culture here when she opened The Wedding Chapel. **Pictured:** Gulf Shores Mayor Robert Craft and many others honored beautification board charter member Evelyn Sanders at the sensory garden ribbon cutting.

Impact 100 Baldwin presents \$101,000 in grants to non-profits

At its Annual Grant Awards on November 4, Impact 100 Baldwin County awarded over a half-a-million dollars to area nonprofits. Each of the five agencies received \$101,000 grants across Impact's five focus areas: Arts & Culture; Education; Environment, Preservation and Recreation; Family; and Health and Wellness.

The five nonprofit organizations were selected from a very competitive field of applicants and were vetted by a rigorous review process including site visits, financial analysis and in-depth discussions within the respective Focus Group. The ten finalists made a 5-minute presentation about their project at the Awards gala and members voted for their favorites. Following the on-site vote count, the 2019 recipients were announced. They are:

- **Eastern Shore Repertory Theatre, Inc.:** The nonprofits mission is to educate and train local students in innovative, high-quality theatre experiences. The Impact grant will contribute to the transformation of a new venue, the Nicholson Center in Daphne. This will provide a state-of-the-art rehearsal studio and performance space with plenty of parking.
- **Baldwin County Education Coalition, Inc.:** The Baldwin County Education Coalition (BCEC) mobilizes both financial and volunteer resources in support of Baldwin County Schools. The grant will provide Scholastic's 'The 7 Strengths Libraries,' a total of 31,100 books, teacher's guides and book bins for classroom libraries in every kindergarten through third grade class throughout Baldwin County Public Schools.
- **The Baldwin County Humane Society:** Improving the lives of animals and residents in Baldwin County for over 40 years, this is a no-kill pet adoption agency. The 'Trap, Neuter, Release' program is designed to help manage the growing number of feral cats in the county. Impact grant will fund one part-time employee who will manage the program; the purchase of humane traps, 800 spay/neuter vouchers and rabies vaccinations; plus supplies and a small vehicle for transportation.
- **Prodissee Pantry, Inc.:** Prodissee Pantry is a nonprofit community ministry that provides emergency food and disaster relief for clients in need. The grant will provide the Pantry with siding replacement for the building, lighting improvements, two air conditioners, one cooler condensing unit and an ice maker, as well as technology upgrades to 6 desktops and laptops, and improvements to the sound system and a parking lot fence.
- **Jennifer Claire Moore Foundation, Inc.:** The Jennifer Claire Moore Foundation provides youth with knowledge, resources and confidence to successfully navigate and recognize the signs of depression and suicide. Their project is two-fold: "Reaching" is an awareness campaign to educate the public about mental health issues. "Equipping" is a Youth Mental Health First Aid training program. Impact funds will be used for the awareness campaign, personnel training and training materials.

This is the 12th year Impact 100 Baldwin County has awarded grants to nonprofits with programs in our county. Since its inception in 2008, Impact 100 Baldwin County has awarded 32 grants totaling \$3.1 million. The 2019 awards will bring the total awarded to \$3.6 million. Impact 100 is a philanthropic organization comprised of women coming together to make high-impact grants to improve the lives of people in Baldwin County.

CHURCH OF GOD BLESSES CSC: The Church of God, a Worldwide Association, presented the Christian Service Center with a generous monetary gift following the Assn.'s recent convention at the Orange Beach Events Center. Each day of their meeting, the group collected food, household supplies, personal hygiene items, baby supplies and cash donations for the CSC. The gift from the Church of God, a Worldwide Association is the single largest contribution to our food pantry - for the sixth year in a row. The group contributed 2,800 pounds of food and supplies and their generous cash donation will allow the CSC to purchase more than 60,000 pounds of food from the area food bank! This contribution will be used to aid families in need in Gulf Shores, Orange Beach and Fort Morgan and will provide hundreds of meals. More CSC info: 251-968-5256 or cscgs.com. **Pictured:** Phil Sandilands, Festival Coordinator; Ina McLemore, Department Head; Lisa Dickey, Dept. Assistant; Tom Dickey, Auditorium Dept. Head.

Six Baldwin County private schools receive defibrillators

"AEDs save lives." That phrase has been repeated over and over at meetings that a committee of Baldwin County folks have had over the past few months. They met with one purpose – to put Automatic External Defibrillators in area schools that otherwise might not be able to obtain them.

The committee recently presented AEDs to representatives from Bayshore Christian School, Fairhope; Central Christian School, Christ the King Catholic School, Snook Christian Academy, South Baldwin Christian Academy, and St. Benedict Catholic School.

AED Committee member Amy Cockrell with Heart for Athletes has been an advocate for AEDs ever since one saved her then 16 year old son's life in 2013. Robert P. Robichaux, Jr., M.D., an electrophysiologist with Cardiology Associates, frequently hears stories of how AEDs in schools and churches have been used to save lives.

"Incidents happen more often than most people realize, and there have been multiple AED saves of children, coaches, parents, and faculty at schools," said Dr. Robichaux.

When he heard about Amy's nonprofit group, he knew that they were a great match. "Here's a group that is committed to educating school staff on how to save lives, and we already knew that AEDs, when available and used properly, can do just that." So when the Cardiac STAT program of Baldwin County held an EKG training class for health professionals earlier this year, Dr. Robichaux asked for donations to Heart for Athletes.

"Not every private school can afford them," said David Godfrey, RN, manager of the Heart Center at South Baldwin Regional Medical Center, "and that's where this committee comes in."

Community Thanksgiving Service Nov. 17 at St. Joseph's in Lillian

The congregation will then move to Immaculate Mary Hall where choirs from St. Joseph Catholic Church, Bayside Baptist Church, Mount Marriah Baptist Church, Lillian First Baptist Church, Divine Revelation Deliverance Center, Lillian Fellowship and Lillian United Methodist Church will perform.

Donations of non-perishable food will be received as the community food drive concludes that day. Light refreshments will be served afterwards.

Langston's "American Fairy Tales" Nov. 13-14 at O. B. Event Center

The Kiwanis Club of Big Lagoon is again spearheading the local effort to participate in the Wreaths Across America program to remember and honor our fallen veterans. The club is taking orders for wreaths specifically for Barrancas National Cemetery at NAS Pensacola through Dec. 1.

This year's Wreaths Across America ceremony and placement of wreaths at Barrancas will be on December 14 beginning at 9 a.m. Wreath sponsorships start at \$15 and payment can be made on-line with credit card or by check using the downloadable mail-in order form. "Veterans day is just around the corner. Take this opportunity to demonstrate your organizations gratitude for the sacrifices made by veterans," said Martin Haygood, a volunteer coordinator with the Kiwanis Club. "We ask that people please give generously and encourage others to give. Last year we only had about 12,000 wreaths for the 40,000 plus gravesites."

Funny Bones

By George Ridder

I t's a 5 minute walk from my house to the pub.
It's a 35 minute walk from the pub to my house.
The difference is staggering.
.....
The Judge said to the defendant, "I thought I told you I never wanted to see you in here

again?"
"Your Honor," the criminal said, "that's what I tried to tell the police but they wouldn't listen."

.....
A cement mixer and a prison bus crashed on the highway...
Police advise citizens to be on the lookout for a group of hardened criminals!

.....
Customer: "How much is the hamburger steak?"
Butcher: "\$1.98 cents a pound."
Customer: "But at the corner market is only \$0.98 cents a pound."
Butcher: "Then you should go there to buy it."
Customer: "But they are all out of it."
Butcher: " Oh, I see. When we don't have any we sell it for \$0.50 cents a pound."

.....
My boss arrived at work in a brand-new Rolls Royce.
"Wow," I said. "That's an amazing car."
He replied, "If you work hard, put all your hours in, and strive for excellence, I'll get another one next year!"
.....

Even Popeye didn't eat his spinach until he absolutely had

to!
.....
A friend of a friend of mine was sitting on a lawn sunning and reading, when he was startled by a fairly late model car crashing through a hedge and coming to rest on his lawn. He helped the elderly driver out and sat him on a lawn chair.
"My goodness," he exclaimed. "You are quite old to be driving!"
"Yes," he replied. "I am old enough that I don't need a license anymore. The last time I went to my doctor he examined me and asked if I had a driving license. I told him yes and handed it to him."
"He took scissors out of a drawer, cut the license into pieces and threw them in the wastebasket. 'You won't be needing this anymore,' he said."
"I thanked him and left."
.....

Two fellows stopped into an English pub for a drink. They called the proprietor over and asked him to settle an argument.
"Are there two pints in a quart or four?" asked one.
"There be two pints in a quart," confirmed the proprietor.

They moved back along the bar

and soon the barmaid asked for their order.
"Two pints please, miss, and the bartender offered to buy them for us."
The barmaid doubted that her boss would be so generous, so one of the fellows called out to the proprietor at the other end of the bar, "You did say two pints, didn't you?"
"That's right," he called back, "two pints!"
.....

An unemployed Mr. Smith met Mr. Jones at the local coffee shop.
Mr. Jones: "I heard you were offered a job and turned it down?"
Mr. Smith: "Yes, it was to be the President/CEO of a new communications company. I turned it

down as there was no room for advancement."
.....
• I think part of a best friend's job should be to immediately clear your computer history if you die.
.....

Working at the unemployment office has to be a tense job...
For if you get fired, you still have to come in the next day.
.....
• Nothing is worse than that moment during an argument when you realize you're wrong.
• I totally take back all those times I didn't want to nap when I was younger.
• There is great need for a sarcasm font.
